

# Brigden Music Day Camp

Wondering what this camp is all about? Read the information below to get a better picture of what you could be a part of at Brigden Music Day Camp!

Music Day Camp is a camp where you get the chance to learn some new musical skills and by the end of the week, put a show on for all your family, friends, and community. You will also get the chance to sing, play, and dance in all-camp music sessions, with other fun activities mixed in every day. Get a sneak peak of these in the "Big, Daily, Fun Activity Calendar" below.

Each day you also get to participate in your choice of morning and afternoon music sessions. Some of these sessions require instruments to participate. If you choose one of these sessions, we ask that you give us further information about your specific instrument choice and if you would like to rent an instrument. (See our Session Choice Sheet)

This year, we are using Long and McQuade as our provider of rental instruments. The cost is very affordable and the camp staff are able to pick up all your rentals ahead of time so they are ready for you on Monday morning. If you require an instrument rental, it will only cost you an extra \$7-\$10 (depending on the cost of the instrument you choose). If you can provide your own instrument, that's great! If you have trouble getting an instrument to use and you don't feel able to pay the extra rental fee, please contact us and we will see what we can do to help.

Music Day Camp is held at Brigden Community Church in Brigden, ON (2389 Courtright Line). July 15-19. Camp runs 9am-4pm each day.
